

LAZO

Construction

The Lazo is designed to be suspended from a single suspension point ceiling rose and is a beautiful and graceful, yet versatile, luminaire. With its lightweight, slimline aluminium body, the various sizes and internal/external lighting options mean you can create a stunning chandelier style feature in your choice of RAL colours.

- // Internally and externally lit options available
- // Available in multiple rings to create custom luminaire
- // Extruded aluminium and PMMA
- // Remote electronic transformer
- // IP40
- // LED replacement with tools
- // Available in RAL colours of your choice
- // Lifetime >50,000 hours
- // 5-year warranty

Typical Applications

Reception Areas, Breakout Spaces, Stairwells, Atriums, Boardrooms, Function Halls, Hospitality & Leisure Facilities
